PERFORMANCE REQUESTS ACCEPTED BEGINNING MAY 25, 2016.

**“Wait! How can I reserve for next year
when I don't know my class size?”**

We know enrollment will not be set until fall, but we don't want teachers to be shut out of theatre experiences by waiting to express interest in a title.

- We will take preliminary requests in May, with paperwork and deposits not due until Fall 2016.
- There will be no penalty for cancellations to reservations made this spring. You will receive a deadline later in the fall in order to confirm, change, or release your requested performances.
- Your advance request will help Asolo Rep to accommodate as many groups as possible, and sometimes to adjust performance dates accordingly.

If you are interested in theatre experiences for your students in the coming year, please contact us to discuss the options.
